

ES CHECKING CONVERSION AGREEMENT

I would like to convert my current Prestige Checking account to an ES Checking Account. I understand that if my direct deposit stops for any reason for more than 30 days that Louisiana USA FCU will convert my checking account back to a Prestige Checking and that I will be responsible for the usual fees attached to a Prestige Checking account.

I understand that as long as I have an ES Checking Account I do not have to maintain a minimum monthly balance in that account. I will not have a monthly service fee or any assisted-teller transaction fees. I understand that it is a non-interest bearing account. I also understand that I have access to free 24-hour telephone banking, free 24-hour online banking, unlimited check writing and that overdraft protection is available to me.
